

HIGH PLAINS

Flared sleeve deep plunge suit in ribbed fabric with Lurex. GOTTEX COUTURE

The look for Summer 2019 is haute couture – it is all about lustrous and subtle decorations, clean lines and crisp cuts. Where prints appear they are micro and intricately worked. Gold and Lurex give costumes a luminous and glittering elegance. Key style features include high necks, retro full waisted bottoms and many have hidden control and shaping features. Perfect to ensure body confidence!
